

# EX-IM COALITION

SUPPORTING U.S. JOBS

The Ex-Im Coalition represents manufacturers, big and small, that rely on access to competitive export financing to reach customers overseas as well as lending institutions and suppliers.

As the official export credit agency of the United States, the U.S. Export-Import (Ex-Im) Bank is a vital tool to help grow U.S. exports and increase American jobs. Ex-Im Bank helps to level the global playing field and to ensure small businesses can compete in emerging markets.
